Court adopts and Orders that the child support worksheet submitted by Petitioner reflects these changes.

THE COURT FINDS it appropriate setting current child support in the amount of \$111.00 per month. Therefore,

IT IS ORDERED that Mother shall pay to Father the sum of **\$111.00 per month** as and for current child support commencing *nunc pro tunc* June 1, 2011 and continuing on the same day of each month thereafter. Said amount is to be paid through the Support Payment Clearinghouse by Order of Assignment.

LET THE RECORD REFLECT an Order of Assignment is initiated electronically by the above-named deputy clerk.

Until the wage assignment becomes effective, it is the responsibility of the party obligated to pay support/maintenance to pay the support to **Support Payment Clearinghouse, P. O. Box 52107, Phoenix, Arizona 85072-2107**. The payment should show the case number and/or ATLAS case number and the name of the party paying support and the name of the party who will receive the payment.

If payment is made directly to the person who is to receive the support, the payments may be considered a gift and no credit will be given towards the support obligation.

Any change in the paying party's employment and any change in the residential address of either party **must** be submitted to the Clerk's Office, in writing, within ten (10) days of the change (A.R.S. 25-322(C)). Failure to notify the Clerk's Office of any change may be considered contempt of Court.

Obligor is personally responsible for the timely payment of support as well as the \$5.00 monthly handling fee. At any time an employer and/or Obligor are not paying pursuant to the Order of Assignment, Obligor must make timely payment of support and fees directly to the Support Payment Clearinghouse. Failure to make timely payment of support may result in a finding of contempt which may result in sanctions, including incarceration.

IT IS ORDERED that the Court reaffirms its determination that Petitioner is entitled to an award of attorney's fees; however, the Court concurs with some of Respondent's challenges of fees and costs as follows: fees incurred before the child was born (\$340.00); no fee charges (\$22.00); and non-allowable costs (\$462.06). These deductions will be reflected in the separate award of attorney's fees Order.
